COVID Hourly Pay Scenario

COVID Hourly Pay Scenario – Effective, Tuesday, September 6, 2022

- * **Scenario 1(a)** revised eligibility for up to 5 calendar days' unlimited occurrence use of base schedule pay while employee is in isolation with COVID-19.
- * Employee must show positive PCR test to substantiate his/her five absence days.
- * The test must be a professional antigen test. In other words, the test must be performed at a pharmacy, urgent care, doctor's office, etc. and cannot be a home test. An antigen test that is proctored through a telemedicine visit is acceptable as well.

- * Scenario 1(c) (formerly Scenario 2): Removed Scenario for employee who is "Close Contact with Confirmed case in the workplace".
- * Employees who are subject to quarantine due to being a Close Contact inside the Workplace are **no longer eligible for replacement wages/pay.**

3% Base Wage Increase

Base Wage Increase (Applied to Top rate and Grow-in rates) 3% September 2022.

Article IX - Wages and other economic Matters

Section 2.

Wage Rate Increases (a) General Wage Increase

- (i) Employees whose straight time **base** hourly wage rate was **\$29.52** or more as of the effective date of this agreement shall receive a three percent (3%) increase added to their base wage rate on **September 14, 2020**.
- (ii) Effective **September 19, 2022**, employees who were eligible for a base wage increase according to Section 2 (a) (i) shall receive a second base wage increase of three percent (3%) increase added to their base wage rate.
The General Wage Increase will not be applied to the "increment above" portion of classification pay rates.
