

**If any employee is not receiving Robo Calls from the Company. Please contact, Kevin Kalinowski at 330-274-7599 with the number they want called and Kevin will update that information.**

**Thank You**

## **Ohio Unemployment**

### **Federal Pandemic Unemployment Compensation (FPUC)**

This new program will provide an additional \$600 a week for those receiving unemployment benefits from March 29 through July 31.

We recently received federal guidance and are working as quickly as we can to implement this program. While you may experience some delays, all benefits will be retroactive.
