WELCOME BACK

We hope you enjoyed your time off, we look forward to 2021 being a better year for all of us. Your health and safety is our number one priority during these trying times. We must not let our guard down and must continue to follow all Health & Safety Protocols. Many of us have experienced the wrath of this pandemic in our personal lives. Some of us have been diagnosed with the Covid virus, some of us are still trying to recover, some of us have lost loved ones and co-workers and some of us have been separated from our families due to this virus. This virus does not discriminate. One never knows what the person standing next to you is going through, Please remember to keep everyone in your daily prayers.

REMINDER UAW/FORD NEGOTIATED HOLIDAY HONORING MARTIN LUTHER KING - Monday, January 18, 2021

“Dr. Martin Luther King Jr. was a fierce advocate for working people and America’s labor movement. For King, the struggle for racial justice went hand in hand with the struggle for economic justice, and was driven by his belief that all people had the right to earn a fair and dignified living — regardless of race, occupation, or socio-economic status.”

IN CLOSING,

We have always found ways to reach out and help those in need. Our Local 1250 retired membership donated turkeys during this past Thanksgiving to the Berea Community Outreach. This event was spearheaded by our Retiree Officers. The Berea City Mayor, Cyril Kleem stated, “that this gift had a major impact on helping others in our community.”

Everyone at Engine Plant 1, was busy with Adopt A Senior Program this past December. Thank you to all that donated and help make this event successful.

We thank you for your continued support!
In Solidarity,
